KOSHER KIWI UPDATE – 2 March 2017

We are very happy to announce the availability of a large range of **kosher Fragata products** in New Zealand. Please refer to the exciting list below of Fragata flavoured olives, pickles and oils. These products are certified by OU (OU symbol **not** required) and their status is **Parve, not for Passover** (unless indicated). We have been able to confirm that New World and Countdown supermarkets stock many of these kosher Fragata products. The more unusual products may be found at speciality shops. We hope you enjoy!

Please do not hesitate to contact us if you have any questions.
